Enrolled learners will receive a payment plan designed to help them track their course fees. Learners will receive monthly invoices from Cocoon International College after their course commenced. A late fee penalty of \$50 will be applied for each month that fees are overdue.

## **Learner cancellation**

Learners who cancel their enrolment part way through a training program must notify Cocoon International College in writing via email or letter at the soonest opportunity. Learners who cancel their enrolment after a training program has commenced will not be entitled to a refund of fees. Learners are advised to consider alternative options such as requesting to suspend their enrolment and re-commencing in another scheduled training program.

## **Replacement of text & training workbooks**

Learners who require replacement of issued text or training workbooks will be liable for additional charges to cover the cost of replacement. For a full list of replacement charges please refer to Cocoon International College schedule of fees and charges.

## **Refunds**

Learners, who give notice to cancel their enrolment **10 business days** or more prior to the commencement of a program, will be entitled to a full refund of fees paid. This policy complies with the Australian Consumer Law required statutory cooling off period for the sale of goods and services. It is a requirement under the Standards for Registered Training Organisations that an RTO must allow the minimum statutory cooling off period applicable for the jurisdiction in which they operate. Australian Consumer Law introduced in 2010 has made this consumer protection consistent in all States and Territories.

Learners who give notice to cancel their enrolment **9 business days** or less prior to the commencement of a program will be entitled to a 75% refund of fees paid. The amount retained (25%) by Cocoon International College is required to cover the costs of staff and resources which will have already been committed based on the learner's initial intention to undertake the training.

## **Statutory cooling off period**

The Standards for Registered Training Organisations require Cocoon International College to inform persons considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactic such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty.

It must be noted that Cocoon International College do not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period in not applicable to our learners who have enrolled into a program. For refund option in other circumstances, learners must refer to the above refund policy.

## **Our Guarantee to Students**

If Cocoon International College cancels or ceases to provide training, Cocoon International College must issue a full refund for any services not yet provided. The basis for determining "services not yet provided" is to be based on the units of competency completed by the learner and which can be issued in a statement of attainment at the time the service is ceased.

As an example: A learner enrolled in a course of 5 units of competency and paid \$1,500.00 up front as the total course fee (including enrolment fee of \$250.00). The course was cancelled due to the trainer falling ill and the learner at that time had completed 2 of the 5 units. The learner's enrolment would be finalised, and the learner would receive a Statement of Attainment for the 2 completed units. The learner would also receive a refund of \$750.00 which represents that value of the training not delivered.

## **Changes to Terms and Conditions**

Cocoon International College reserves the right to amend the conditions of the learner's enrolment at any time. If amendments are made that effect the learner's enrolment the learner will be informed 7 days prior to changes taking effect.

You are entitled to have access to your records. These records include your:

- learner file,
- learning and assessment record,
- administrative records,
- AQF certificates including a reissuance of a statement of attainment or qualification which has been previously issued.

You may require these records to monitor your progress with training or simply to go back and confirm something in a previous training module. Whilst these records will be retained by Cocoon International College, you are welcome to have access anytime just ask your trainer and it will be organised immediately.

You can access hard copy records and reports from our learner management system, but only relating to you personally. You can request this access using the Learner Records Request Form. Access to requested records during a workday will be arranged as soon as possible and definitely within 24 hours. Learners should note that these records cannot be taken away unless a copy is requested. Where photocopies are requested, Cocoon International College reserves the right to charge a one-off photocopy fee of \$10.00. There is no cost to simply view records at our office.

In the case of accessing a reissuance of a previously issued Statement of Attainment or Qualification certificate, if you have lost or misplaced your AQF certificate you may obtain a reissued certificate from Cocoon International College. To obtain this you must complete the Learner Records Request Form and return this to the Office Manager. The cost of \$50.00 will apply for each issued AQF certificate. These monies must be paid in advance. Reissued AQF certificates will be an exact duplicate of the original with the exception of small wording at the bottom of the document which identifies the certificate as reissued. AQF certificates may only be collected in person or can be posted via registered post. A learner may also nominate another person to collect the certificate, however these persons must be notified to Cocoon International College beforehand, and the person must provide photo ID to validate their identity.

## Continuous Improvement

Cocoon International College is committed to the continuous improvement of our training and assessment services, learner services and management systems. Central to this commitment is our approach to continuous improvement and the procedures we apply to achieve systematic and sustained improvement.

### Suggesting Improvements

The primary method of reporting opportunities for improvement by learners is via the continuous improvement reporting procedure. This procedure allows any person to raise a Continuous Improvement Report for consideration by the Continuous Improvement Committee. Often these reports will be generated after an opportunity for improvement has been identified by a staff member or learner. The Continuous Improvement Report template is available on request. Learners are encouraged to provide feedback to Cocoon International College so we can improve our services in the future.

### Learner Satisfaction Survey

At the completion of your training program, you will be issued with a Learner Satisfaction Survey. This is a nationally consistent survey tool which is designed to collect feedback from learners about their experience with an RTO and in undertaking nationally recognised training. Your completion and return of this survey is important to Cocoon International College for our ongoing improvement of services and to enable us to report this information to our registering authority. Your assistance in gathering this survey data is greatly appreciated.

## Assessment

At Cocoon International College assessment is conducted using a combination of Written Knowledge Assessment, Research Tasks, Case Studies, Work Logbook, Supervisor Feedback and Workplace Observation.

The following provides a brief explanation of the primary assessment methods:

- **Written Knowledge Assessment:** The learner is required to provide a written response to a range of questions relating to required knowledge of the units of competency. These would generally be short answer response activities and may include other questioning methods including multiple-choice.
- **Research Tasks:** The learner is required to undertake research within their own workplace and the available reference material and provide a written response to each question. These assessment activities are usually short to medium answer response activities. The responses provided by the learner will largely be specific to their workplace.

- **Case Study Response:** The learner is required to provide a written response to a situation presented in a case study scenario. This will usually require the learner to consider carefully the situation presented, undertake some research to inform their response and then to propose their recommended actions.
- **Workplace Logbook:** The learner is required to record details of their work activity completed during the work placement. These details are recorded against specified tasks which are predesigned for the learner to complete. This forms an important part of the assessment evidence as it often includes critical evidence that is otherwise difficult for the assessor to observe.
- **Supervisor Feedback:** The assessor will periodically engage with workplace supervisors to seek their feedback about the learner's performance. This is undertaken as an interview with a duration of approximately 15 to 20 minutes. This interview can be undertaken over the phone or face to face. Feedback from a supervisor is recorded into the assessment record.
- **Workplace Observation:** The learner will be observed performing specific tasks in their day-to-day work activities. The assessor will attend the workplace and observe the learner performing tasks relevant to the units of competency being assessed. The learner will be briefed on these observation activities in events and is required to make arrangements to undertake these activities when the assessor is in attendance at the workplace.

### **Re-assessment**

Learners who are assessed as not yet competent are to be provided with detailed verbal and written feedback to assist them to identify the gaps in their knowledge and skills to be addressed through further training. These learners are to be provided with additional training and learning support to target their specific gaps in knowledge and/or skills and prepare them for additional assessment.

It is the policy of Cocoon International College to provide three opportunities for additional training and re-assessment at no additional cost to the learner or employer. Learners who require additional training and re-assessment after they have exhausted their three opportunities will be required to pay a fee for additional training and re-assessment. Please refer to the current fee schedule to identify the re-assessment fee.

Learner's requiring additional learning support are to be brought to the attention of Cocoon International College management so the progress of the learner can be monitored closely, and additional support services can be applied well before it becomes necessary to impose an additional fee for re-assessment. Where learners repeatedly do not demonstrate competence following significant learning and assessment support, a learner's enrolment can be determined through mutual agreement.

## **Re-opening of Assessments**

If students do not complete assessments within the given time frame, they will have the opportunity for a first reopening of units during the first week of the academic holiday's students will have the first 3 assessments at no charge any more assessments will come at an additional \$50 charge per assessment. Attendance is mandatory during this time to complete the re-opened assessments.

If students fail to attend/complete assessments, the units will be closed, and a \$250 reopening fee will apply during the second week of academic holidays.

## **Reasonable Adjustment**

Cocoon International College include reasonable adjustment and access and equity principles. Reasonable adjustment will be provided for students with individual learning needs (such as disability or learning difficulty) according to the nature of the learning need. The learning need that forms the basis of any adjustment to the training program will be identified and appropriate strategies will be agreed with the student. Any adjustments will be recorded in the students file and will not compromise the competency standard.

Reasonable adjustment as it applies to participation in learning and assessment activities may include:

- Customising resources or activities within a training package or accredited course
- Providing additional support
- Providing assistive or adaptive technologies

### **Informing Persons and Responding to Allegations**

Where a complaint involves one person making allegations about another person, it is a requirement for Cocoon International College to hear both sides of the matter before making any judgements about how the complaint should be settled. A person who will be affected by a decision made by Cocoon International College as a result of a complaint has the right to be fully informed of any allegations and to be provided adequate opportunity to be heard and respond. The person has the right to:

- put forward arguments in their favour,
- show cause why a proposed action should not be taken,
- deny allegations,
- call for evidence to disprove allegations and claims,
- explain allegations or present an innocent explanation, and
- provide mitigating circumstances (information aimed at reducing the severity, seriousness, of something).

Cocoon International College also has an obligation to fully consider the substance of allegations and the response provided by parties before making a decision. Decisions must be communicated to the complainant and relevant persons' subject of allegations in writing. This is to include advising these persons of their right to seek a third-party review of decisions made by Cocoon International College.

Where an allegation is made that involve alleged criminal or illegal activity and it is considered outside the scope and expertise of Cocoon International College to investigate the matter, then in these circumstances Cocoon International College reserve the right to report these allegations to law enforcement authorities. Persons related to the matter involving alleged criminal or illegal activity will be advised in writing if this course of action is being taken.

### **Review by an Independent Person**

Cocoon International College provides the opportunity for the person making a complaint or seeking an appeal who is not satisfied with the outcomes of the complaints and appeals handling process to seek a review by an independent person. Before a person seeks a review by an independent person, they are requested

to first allow Cocoon International College to fully consider the nature of the complaint or appeal and to fully respond to the person in writing. If after this has occurred, the person is not satisfied with the outcome, they can then seek a review by an independent person. To request a review by an independent person, the complainant or the person making an appeal should inform the Office Manager of their request who will initiate the process with the Chief Executive Officer.

In these circumstances the Cocoon International College Chief Executive Officer will advise of an appropriate party independent of Cocoon International College to review the complaint (and its subsequent handling) and provide advice to Cocoon International College in regards to the recommended outcomes. The independent third-party is required to respond with their recommendations within fourteen (14) working days of their review being requested.

Where the Cocoon International College appoints or engages an appropriate independent person to review a complaint / appeal, the Cocoon International College will meet the full cost to facilitate the independent review. Where the person making a complaint or seeking an appeal objects to this appointment and requests to engage a person or organisation they nominate to undertake the review, the Cocoon International College may seek the person making a complaint or seeking an appeal to contribute to the cost of engaging this person and undertaking the review.

Following an independent review, advice received from the independent person is to be accepted by Cocoon International College as final, advised to the person making a complaint or seeking an appeal in writing and implemented without prejudice.

Where a complaint is received by Cocoon International College and the Chief Executive Officer feels that they may be biased or there is a perception of bias, then the complaint is to be referred directly to an independent third-party for consideration and response as outlined above.

### **Unresolved Complaints and Appeals**

Where the person making a complaint or seeking an appeal is not satisfied with the handling of the matter by Cocoon International College, they have the opportunity for a body that is external to Cocoon International College to review his or her complaint or appeal following the internal completion of complaint or appeals process.

Learners who are not satisfied with the process applied by Cocoon International College may refer their grievance to the following external agencies:

- In relation to consumer protection issues, these may be referred to the **Office of Fair Trading**.

- In relation to the delivery of training and assessment services, these may be referred to the **National Training Complaints Hotline** via the following phone number: 13 38 73.

### **Withdrawing from a Course**

There are circumstances where a learner may finalise their enrolment early for personal or academic reasons. Where this is the case, the learner is requested to complete the form Application for Course Deferment / Transfer / Withdrawal. This provides the learner the opportunity to specify their reasons and select to indicate their preference to defer their enrolment, to transfer their enrolment to another course or to terminate their enrolment altogether. Where the enrolment is being deferred or terminated, learners will be issued a statement of attainment to recognise the outcomes they have achieved during their enrolment. A learner who defers and returns to complete a course will be eligible to recommence their training and receive a credit transfer for any completed units of competency. The Chief Executive Officer will review these applications, where possible is to interview the learner to understand their circumstances and is to record their decision using the section provided on the application. Learners are to be informed of this decision in writing.

### **Learner who are not Contactable or not Responding**

Where a learner is not contactable or fails to respond to requests by the Cocoon International College, the learner's enrolment may be terminated in absentia. This action may only be taken where the Cocoon International College has made every reasonable attempt to engage with the learner or contact the learner to seek their instructions about their intentions to continue with or complete the applicable course. Advice received from a learner via email or phone conversation communicating their request is to be accepted where the learner is not willing to complete an Application for Course Deferment / Transfer / Withdrawal. Email records and written records of phone conversations are to be retained on the learner's file as evidence of these expressed instructions from the learner.

Before a learner's enrolment can be terminated without their written or expressed consent the following protocol is to be followed:

- A minimum of three attempts (four weeks apart) must be made using the last known contact details (email, phone, and mail) to contact the learner and issue the learner with a warning letter notifying them of the intent to terminate the enrolment.
- Where the learner fails to respond, the learner's enrolment is to be terminated and the learner's record within the student management system is to be updated with the outcome of "withdrawn" entered into each unit of competency that has not been completed at the time.

- Any final AQF certificate to which the learner is entitled is to be sent registered mail to the learner's last known mailing address. This should also be noted in the learner's enrolment record and a photocopy of the certificate retained on the learner's record.
- The learner's record is to be archived in accordance with the Records Retention and Management Policy.

Applicable trainers are to be informed of the learner's enrolment termination and advised to inform the Training Manager if the learner makes contact.

## **Recognition of Prior Learning**

In accordance with the requirements of the Standards for Registered Training Organisations, Cocoon International College provides the opportunity for learners to apply to have prior learning recognised toward a qualification or units of competence for which they are enrolled.

### **What is Recognition?**

Recognition involves the assessment of previously unrecognised skills and knowledge that an individual has achieved outside the formal education and training system. Recognition assesses this unrecognised learning against the requirements of a unit of competence, in respect of both entry requirements and outcomes to be achieved. By removing the need for duplication of learning, recognition encourages an individual to continue upgrading their skills and knowledge through structured education and training towards formal qualifications and improved employment outcomes. This has benefits for the individual and industry. Most importantly, it should be noted that recognition is just another form of assessment.

### **Recognition Guidelines**

The following guidelines are to be followed when an application for recognition is received:

- Any learner is entitled to apply for recognition in a course or qualification in which they are currently enrolled.
- Learners may not apply for recognition for units of competence or a qualification which are not included in Cocoon International College scope of registration.
- Whilst learners may apply for recognition at any time, they are encouraged to apply before commencing a training program. This will reduce unnecessary training and guide the learner down a more efficient path to competence.
- Learners who are currently enrolled in a training program are eligible to apply for recognition in that program at no additional charge.

- Assessment via recognition is to apply the principles of assessment and the rules of evidence.
- Recognition may only be awarded for whole units of competence.

### **Forms of Evidence for Recognition**

Recognition acknowledges that workplace skills and knowledge may be gained through a variety of ways including both formal and informal learning or through work-based or life experience.

Like assessment, recognition is a process whereby evidence is collected, and a judgement is made by an assessor or assessment team. The judgement is made on evidence provided by candidates of the skills and knowledge that they have previously learnt through work, study, life and other experiences, and that they are currently using. It also includes evidence to confirm a candidate's ability to adapt prior learning or current competence to the context of the intended workplace or industry.

Forms of evidence toward recognition may include:

- Work records.
- Records of workplace training.
- Assessments of current skills.
- Assessments of current knowledge.
- Third party reports from current and previous supervisors or managers.
- Evidence of relevant unpaid or volunteer experience.
- Examples of work products.
- Observation by an assessor in the workplace.
- Performance appraisal; or
- Duty statements.

Many of these forms of evidence would not be sufficient on their own. When combined together, with a number of evidence items, the candidate will start to provide a strong case for competence. Cocoon International College reserves the right to require candidates to undertake practical assessment activities of skills and knowledge in order to satisfy itself of a candidate's current competence.

## **Credit Transfer**

Credit Transfer is the recognition of learning achieved through formal education and training. Under the Standards for Registered Training Organisations, units of competency issued by any RTO are to be accepted and recognised by all other RTOs (Registered Training Organisations). Credit Transfer allows a learner to be issued a unit of competency based on successful completion of the unit which has been previously awarded.

## **Evidence Requirements**

If you are seeking credit transfer, you are required to present your statement of attainment or qualification with a record of results for examination to Cocoon International College.

These documents will provide the detail of what units of competence you have been previously issued. You must provide satisfactory evidence that the statement of attainment or qualification is authentic, is yours and that it has been issued by an Australian RTO. Statements of attainment or qualifications should be in the correct format as outlined in the Australian Qualifications Framework. You are required to submit copies only which are certified as a true copy of the original.

## **National Recognition Guidelines**

The following guidelines are to be followed in relation to national recognition:

- Any learner is entitled to apply for national recognition in a course or qualification in which they are currently enrolled.
- Learners may not apply for national recognition for units of competence or qualification which are not included in Cocoon International College scope of registration.
- Whilst learners may apply for national recognition at any time, they are encouraged to apply before commencing a training program. This will reduce unnecessary training and guide the learner down a more efficient path to competence.
- The learner does not incur any fees for national recognition and Cocoon International College does not receive any funding when national recognition is granted.
- National recognition may only be awarded for whole units of competence. Where a mapping guide identifies a partial credit, this will not be considered for national recognition and applicants will be advised to seek recognition.

These rights include the right to copy, publish, communicate (e.g., broadcast, make available online) and publicly perform the copyright material.

There is no general exception that allows a work to be reproduced without infringing copyright. Where a part of a work is copied, the issue is whether a substantial part of that work has been reproduced and thus an infringement has occurred. However, there is a 10% rule which applies in relation to fair dealing copying for the purposes of research or study. A reasonable portion of a work may be copied for that purpose, and a reasonable portion is deemed to be 10% of a book of more than 10 pages or 10% of the words of a work in electronic form.
